Patrol to discontinue their 1-888-2-OH-ROAD Weather/Road Hotline in March

COLUMBUS – The Ohio State Highway Patrol will be discontinuing its 1-888-2-OH-ROAD weather/road condition hotline starting March 1 due to the lengthy update process for dispatchers and the lack of use by the public. The discontinuance of this service will also result in cost savings.

Motorist are urged to instead use the Ohio Department of Transportation's, www.BuckeyeTraffic.org Web site, call 1-877-7PATROL or contact their local post directly to get updates on traffic/road conditions. A listing of contact information for each post is available at www.statepatrol.ohio.gov/counties.html.
