

The Public Safety Leadership Academy is an innovative 11-week, accredited, college-level program. The course curriculum is designed so participants will be able to develop and improve the skills necessary to manage and direct any division within a law enforcement agency.

Student Requirements

The Public Safety Leadership Academy is designed for officers who hold a minimum rank of lieutenant or the equivalent. Officers must have at least one year of supervisory experience. Students are expected to:

- Complete college-level course work;
- Read, comprehend, and retain assignments based on course materials;
- Work collaboratively in group settings to complete assignments;
- Conduct research for written assignments; and
- Schedule time outside-of-class to complete assignments.

Additional Information

Schedule

The 2019 Public Safety Leadership Academy will be held at the Ohio State Highway Patrol Training Academy in Columbus, Ohio, for 11 consecutive weeks, March 25 - June 7, 2019. For additional instruction focusing on leadership, students will visit Washington D.C. during the month of May.

Credit Hours

Students who successfully complete the program receive 10 graduate or undergraduate semester hours of academic credit through the Ohio State University. Graduate hours are available to those who hold a bachelor's degree and complete one additional assignment.
